## Join the Volunteer Challenge: Rebuild the Jersey Shore and Get Social!

Ready for the challenge? Sign up now for a three-day volunteer trip this Spring. Form a team, help rebuild homes with organizations like Habitat for Humanity, United Way, and Catholic Charities, and compete in a social media outreach competition to see who can make the most impact.

You will be part of a movement making a difference — rebuilding homes while spreading the word through social media about the importance of volunteering.

Thousands of Jersey Shore families need your support!
