

White Flint Community Notice

July 7, 2015

Dear Neighbor:

This notice is to advise you that White Flint Mall will begin the demolition of three sections of the Mall parking garage (excluding those parking garage areas serving Lord & Taylor), beginning on Wednesday, July 8, 2015. The demolition is scheduled between the hours of 7am and 7pm (consistent with Montgomery County Code), Monday through Friday (with the exception of observed national holidays) for the duration of the garage demolition project, which is expected to last approximately three to four months.

For safety reasons, the roadways along this demolition site perimeter will be closed during the aforementioned times, but will be re-opened each evening. The roadways will remain open on Saturday and Sunday, and all observed national Holidays.

During this demolition phase, we will follow Montgomery County Code requirements to the fullest extent, to include safety monitoring, noise ordinance, and security patrols.

We encourage on-going communications with our neighbors, so please feel free to contact us if you have any questions and/or concerns throughout this process. I may be reached at 301/692-2294.

Thank you for your understanding in advance.

Best regards,
