Dear Parent/Guardian, Students, and Staff:

The purpose of this letter is to inform you of an incident that occurred on one of the school buses yesterday, Tuesday, September 20, 2016. While students were being transported home, some of our students engaged in a chant, that included the “n-word,” that is based on a social media video that addresses issues of racial profiling. The bus driver stopped the bus and addressed the students involved in the chant.

An investigation revealed that a diverse group of students including students who are African-American, Latino, and Asian were involved in saying the chant.

Parents of the students have been contacted and disciplinary action will be taken in accordance with the MCPS Student Code of Conduct. This behavior is both offensive, inappropriate, and does not reflect the positive values of our students and our school community.

While this experience has been upsetting, we will use this as a teachable moment for our community. In the coming days, students, parents, staff and the community will have an opportunity to discuss issues regarding race and how we can educate each other about our cultures and concerns. Finally, as an African-American educator, this incident is personally very disturbing and we must address this incident and issues of race so we all can move forward, together. If you have any questions or concerns please contact me at 301-279-3949. Thank you for your continued support.

Sincerely,

Joey N. Jones, Principal
